WASHINGTON, D. C., WEDNESDAY, MAY 15, 1907.

# MARSHAL COLLINS FIRES ON DIPLOMAT

Tries to Stop Mr. W. Von Radowitz's Auto.

## COMPLICATIONS LIKELY

Victim Is Second Secretary of German Embassy.

Glen Echo Official Shoots Twice at Machine Carrying Representative of the Kaiser Along Conduit Road. Then Mayor Garrett Threatens Heavy Fine-Complaint to Be Made by Envoy to State Department.

Marshal Collins, of Glen Echo, in his anxiety to uphold the anti-speed laws of the Conduit road, has come into col-lision with W. von Radowitz, second secretary of the German Embassy.

With his usual impetuosity, Mr. Collins endeavored to arrest the progress Monday of the auto in which the distinguished diplomat was riding along the famous turnpike by firing two shots from his revolver at the machine. This action had the desired effect, but at the same time it has brought up large possibilities of serious international complications, in which the Glen Echo authorities are likely to fare badly.

Garrett, who at first threatened to impos a fine on Mr. von Radowitz, but relenting rial severity, finally condescended to per mit the indignant representative of th Kalser to depart with a scorching repri-

#### May Go Up to See Root,

Mayor Garrett announced his intentio of taking up the matter with Secretary Root, but the diplomat has a few ideas of his own rights and the manner in which they shall be respected, and gave the municipal executive notice that the Secretary what he regarded as an insult.

tives of foreign countries are exceedingly clared: strict and on the face of things it would ar that the guardians of the Conduit road have exceeded their authority to an extent that promises grave developments

## More Trouble for Collins.

Mayor Garrett and his marshal from lief," said Judge Marcus Kavanaugh. another quarter, as Miss Boardman was held up in her auto on the driveway, and cipal Court, can see no way for a man to she is said to have announced her in-violate the oath that he gives on the witn of taking up the matter with ness stand, even to protect a woman's Gov. Warfield with a view of securing reputation. the removal of Mayor Garrett.

ment expressed by Judge McEwen," said wood blossoms decorated the four walls.

Marshal Collins left the bridge at the Marshal Collins left the bringe at the same time and with his well-known speedometer began his investigations.

According to his account, the machine According to his account, the machine

went at the rate of eighteen miles an hour

# Collins Fires at Auto Tires.

Until he was tired and hearse, Mr. Collins shouted and pedaled with renewed effort, and they passed through . Glen Echo and neared the line which marks the limit of Mai. Garrett's jurisdiction. the auto. As it shot past the dividing line Collins shouted that unless there was liberately betrays a woman's confidence a sudden stoppage he would shoot, and is a scoundrel he kept his word by pulling a large re-volver and shooting at the rear tires of

tance behind the automobile. At the command of the diplomat, the chauffeur slackened his speed and returned to where Collins was standing, breathless

#### Von Radowitz Presents Card. Mr. W. von Radowitz did not leave

at the card a moment and then moved toward the automobile with the intention of explaining to its occupant that the to perfure himself under any circumstances," said Dr. James P. Hall, dean to allow Collins to speak to his master. and began pouring out a torrent of some strange language which did not sound familiar to the marshal's hibernian ear. Collins finally made it plain that he an wanted \$50, and to this remark the dipio-should refuse to testify in the case where a woman's honor is at stake, and then mat gave great heed and began an explanation of his position and privileges take any punishment that is inflicted." which was not understood by the marshal. He, however, realized that as he could not VILLAGE SUDDENLY ENGULFED. talk to or understand his prisoners it was best to accept the card and the promise that the matter would be settled as soon a dayor Garrett, who was away, returne that the matter would certainly be settled, and well settled later.

# Garrett Plans to Collect Fifty.

Collins then informed Mr. von Rado. witz that he was free, and picking up his wheel went back toward Cabin John to continue the duties which have made him so popular among automobilists. The diplomat did not depart, however constable that he intended to take the

matter up with the State Department. When Mayor Garrett was informed of the occurrence he congratulated his trusty plans to collect the \$50. He put the matter in the hands of State's Attorney Peter, of Rockville, and instructed him municate with the State Departof diplomats into the precincts of Glen
